- **CRM Analytics:** Customer Lifecycle Analytics.

WORK EXPERIENCE

Salesforce Core Intern | Capgemini España S.L. Oct 2025 – Apr 2026 · Valencia

- Data modeling of custom objects, fields, validation rules and permission sets for new service flows within the DCX (Digital Customer Experience) unit.
- Declarative automations with Flow Builder: Record-Triggered, Screen Flows and Scheduled Flows replacing manual processes.
- Configuration of Lightning Pages and design of email templates for end-user service flows.
- European data loading (postal codes for four markets) with Data Loader and Data Import Wizard, handling duplicates and post-load validation.
- Writing user stories and designing pre-development test suites, in collaboration with QA and architecture.
- Ongoing internal training through Capgemini seminars: Generative AI in Software Engineering, Refactoring, Testing + Continuous Integration, Lowcode, Design Thinking and Innovation.

Transport / Catering | Integrastu 2022 – 2024 / 2026 · Valencia

- Occasional transport and catering jobs at events.
